

Banquet Donors

At every banquet, the wall of guns is stocked full of more than 110 guns that are raffled off. In addition to this, approximately 30 youth in the room walk away with either binoculars or a youth gun. NBU is proud to have such a strong donor network to make this happen! Individuals and companies provide donations towards the wall of guns and other items in the room. In the last journal we highlighted all of the major sponsors. In this journal, we'd like to thank all of those who donated to the wall of guns, youth raffle, silent auction and other raffles in the room. Thank you!
